BED MAKING MADE EASY

Just shake and pat these Continental Quilts to make your bed. Heat retention without weight keeps you warm in winter. Covers should be used with Continental Quilts. For covers and accessories see pages 62-63.

Please note: The thermal insulation (warmth) of a Continental Quilt is expressed by the term "tog". The higher the "tog" rating, the warmer the quilt. The four categories in accordance with British Standards are: 7.5 "togs" minimum, 8.5 "togs" minimum, 9.5 "togs" minimum and 10.5 "togs" minimum. All quilts conform to BS 5335.

YOUR Argos BONUS

FREE INSTALLATION CHECK

With every Hotpoint Automatic Washing Machine, we also offer a free installation check. A Hotpoint trained engineer will make sure that the machine has been properly unpacked and that it has been correctly connected to existing water and electrical supply. If necessary the engineer will be happy to explain to you how your new automatic works.

PLUMBING IN SERVICE

People find the extra cost of permanent plumbing well worthwhile. Hotpoint service will in most cases be able to arrange this for you on a chargeable basis. Simply advise the service engineer when arranging your installation check and he will provide you with a free estimate. Hotpoint also offer a special do-it-yourself plumbing kit which makes the job quite simple for the handy non-professional.

DIRECT DELIVERY

All items featured on this page will be delivered to your home by Hotpoint, free of charge. Expected delivery 21-28 days. A post card will be sent to you advising date of delivery.

All Hotpoint fridge/freezers, combinations and freezers are covered by our comprehensive Double Guarantee. For the first twelve months this covers all service parts and labour and the Double Guarantee also covers loss of food in your freezer, up to £250, for any reason other than power cuts. The Hotpoint Service Plan also enables you to extend the Double Guarantee after the first twelve months on an annual basis for a modest charge.

Hotpoint FAIR SERVICE PLEDGE

If we're not there within 3 days—the call's on us.

When you've bought a quality appliance you have a right to expect fast, efficient after sales service. And that is the sole aim of 1600 Hotpoint service staff. They're the strength behind our pledge to call within 3 working days—only in remote areas or in circumstances beyond our control will our call be delayed. If we do let you down we'll bear the cost of the engineer's time. That's quite a challenge. For advice on your Hotpoint appliances please consult the Hotpoint agent, whose address can be found in the Argos showroom or Yellow Pages.

The
Elizabeth Duke
collection offers you
more jewellery
for your money

Mr. Brian Selwood, a Fellow of the Gem-mological Association of Great Britain, has been responsible for the selection of our prestige range of elegant jewellery by Elizabeth Duke. Mr. Selwood writes:

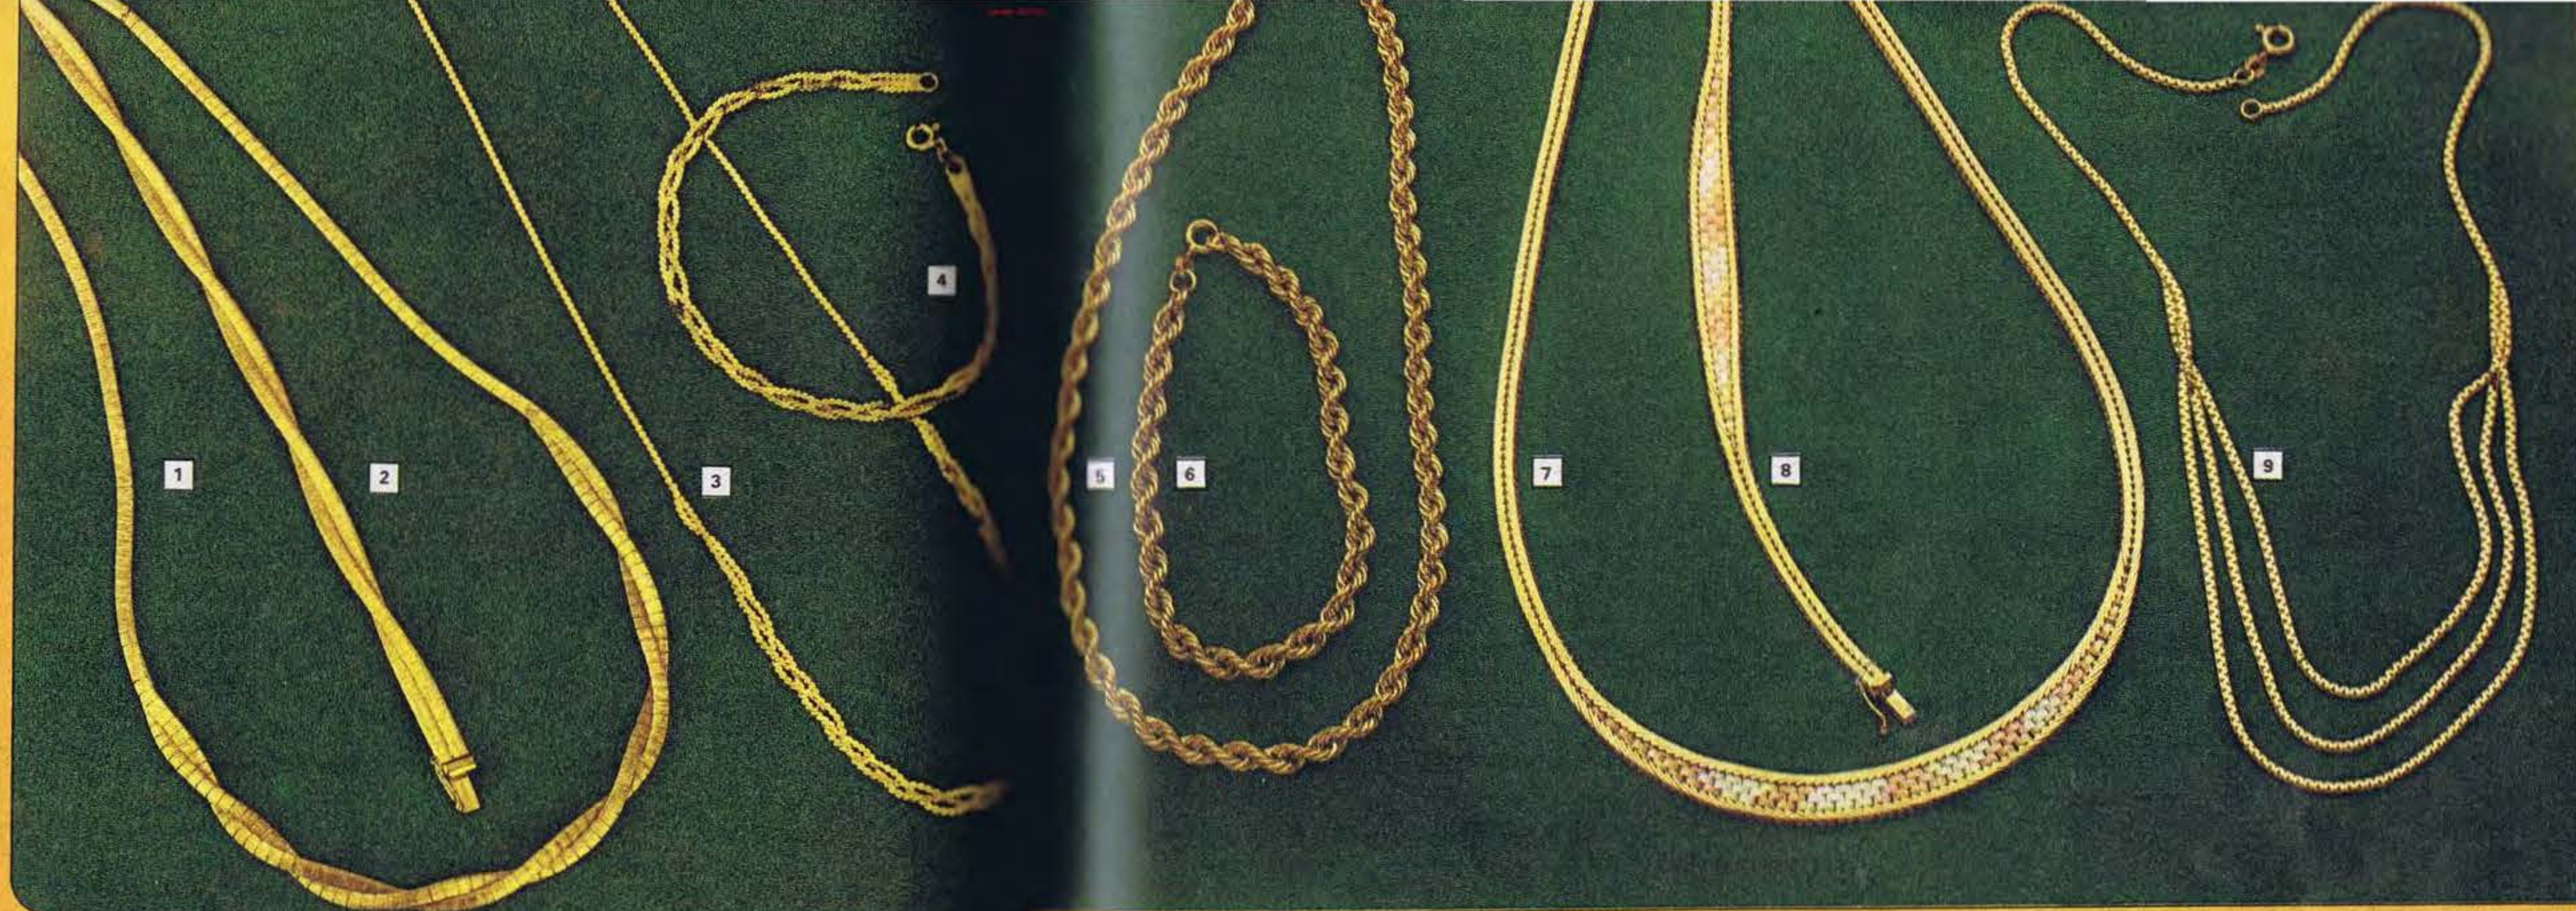

"There are many reasons why the Elizabeth Duke collection offers you more jewellery for your money. Firstly, we have cut out the middlemen—we buy direct. Secondly, we buy ahead to avoid the increases caused by the ever-rising costs of gold, silver and precious stones. Thirdly, apart from jewellery, we sell a wide range of products; so our huge turnover enables our Jewellery Division to operate without the jeweller's tradition-ally high profit margin."

Full Satisfaction or Money-Back Guarantee

The lifetime skills of experts ensure the value of the jewellery you buy from us. With each engagement ring or eternity ring you have the extra surety of a Val-uer's Certificate.

The law lays down specific requirements for hallmarking gold and silver jewellery; Elizabeth Duke jewellery fully meets those requirements. But whatever you buy you also have the reassurance of our money-back guarantee (see page 235 of this catalogue).

QUARTZ WATCHES
We offer two types of quartz watches, at the heart of both a small crystal vibrates at a steady frequency and is responsible for high precision. ANALOGUE watches possess conventional dials, the hands being driven by a small motor governed by the vibrations of the crystal. LCD watches have a continuous Liquid Crystal Display, showing the time in figures. Varying features on individual watches allow additional information to be given, at the touch of a button. Full instructions with each watch.

**AUG
11**

Our next catalogue is available on August 11th. It's packed with gift ideas and features a great selection of new products. Don't miss it!

Argos

Discount prices on everything.

Buying is Easy

Check what you want from the master catalogue in the showroom.

Fill in the simple Selection Form, catalogue number and quantity, then take it to the 'Service' point. Our staff will be pleased to help you if you need assistance.

Your purchases come from the stockroom while you make payment. Simply take them home, it's as easy as that.

Attractive Gift Vouchers

For Personal Use. You can obtain Gift Vouchers at all Argos showrooms. They are available in units of £1, £2 and £5 and make ideal presents for all occasions.

As Incentive and Promotional Prizes. Argos Gift Vouchers make attractive prizes for staff incentive schemes for companies, clubs and trade associations. They have the advantages of simplicity and acceptability—with a ready-made catalogue of high quality, famous-name products at discount prices and Argos showrooms throughout the country. You may qualify for a cash rebate on bulk incentive orders. If you are planning a prize incentive scheme, we shall be pleased to help you—just ring 01-951-1363, extension 84.

5 Ways to Pay

1. With Cash.
2. By Cheque. Cheques up to £50 are accepted immediately if accompanied by a Bankers Card.
3. By Credit Card. We welcome purchases made with Access or Barclaycard.
4. By the new Argos Credit Scheme to help with your larger purchases.
5. Green Shield Stamps. You can get a second discount with Green Shield Saver books as full or part payment. Each filled book saves you 50p off the Argos price. If you have enough filled books, you can get your purchase absolutely free.

Our Pricing Policy

The Argos prices shown in this catalogue are, where possible, compared with Recommended Retail Prices provided by our suppliers. Where recommended prices are not available, generally, they have provided Suggested National Retail Prices.

All sizes and capacities are approximate. It is possible that descriptions may have changed if the supplier, for instance, has altered his specifications or that there has been a change of the supplier after the catalogue has gone to press.

This catalogue, published in February 1980, supersedes all previous catalogues or brochures and remains in effect until further notice. Argos prices stated in the catalogue were established during December 1979.

Information is compiled with all possible care, but the publishers do not hold themselves responsible for errors or omissions.

No Hidden Extras

Argos prices already include VAT so there are no 'Hidden' extra costs to pay. Because our prices are low you pay less VAT.

Our trading policy is to provide you with big savings on everything we sell, but in the event of changes in the rate of VAT, or for any other reason beyond our control, we may have to make adjustments, so please check the Master Catalogue in your Argos Showroom.

Star Value Bargains

Watch out for products which display the red 'Star Value' badge in your showroom. These are items which have been reduced in price for a limited promotional period or offer exceptionally outstanding value for money.

The Red Star always signals an event not to be missed and, at Argos, 'Star Value' means a Star Bargain.

Guarantee

FULL SATISFACTION
OR MONEY-BACK

In addition to your statutory rights as a customer, Argos gives you a generous Full Satisfaction or Money-Back Guarantee. We will exchange or refund you for any unused item which does not meet your exact requirements.

Simply replace the item in the original carton or wrapping and return it to us with your receipt within 14 days of purchase. We want you to be entirely satisfied with every purchase you make at Argos.
